

Avision AVA6 Plus Portable Scanners AV2573

The AVA6 Plus is one of the few compact scanners equipped with CCD optical sensors rather than CIS technology. This enables the user to scan credit cards and other types of document that have embossed characters.

This also means higher quality images. Ideal for scanning all known passport sizes and credit cards. Ultra-compact Passport , ID or photo scanner, Flatbed, A6 (scan area: 145x105), USB2, very fast (4 to 5 seconds typical scan time).

Main features 2 scan buttons which can be customised with different settings. 1 year warranty RTB.
