

Image Access Bookeye 4 - V1A Book Scanners BK2316

The Image Access Bookeye 4 - V1A is a wide format scanner with a flexible book cradle for digitization projects. The flagship in the Bookeye® 4 family of scanners is the Bookeye® 4 V1A, scanning A1+ formats at 400 dpi optical resolution. The Bookeye® 4 V1A features an automatic book cradle with up to 10 cm height adjustment, a glass plate that opens automatically and of course the 140 degree V-book cradle. The Bookeye® 4 V1A is the world's first and only A1+ scanner that accommodates both flat documents - with or without the glass plate; as well as large, fragile bound documents, using the protective V cradle. The Bookeye® 4 V1A is suitable for digitisation projects that require high quality and maximum productivity, even in 24/7 operation. Originals up to A1+, such as books, magazines, posters, folders or bound documents of all kinds, can be digitized by the Bookeye® 4 V1A at unsurpassed scanning speed. Main features: Bookeye 4, 400dpi optical, A1+ Colour, V-shaped book cradle, foot switch, 19" Monitor, for Windows, 1 year warranty OS.
