Plustek OpticPro A320L
A3 Flatbed Scanners
TK2229L

Plustek's OpticPro A320L is a fast A3 scanner geared toward professionals requiring quality results with an efficient, versatile workflow. Combining high speed and image quality, the A320 is capable of meeting the needs of graphic designers, CAD users, education and office users alike. Plustek OpticPro A320 is a large format scanner that can scan a 12 x17" (304.8 mm x 431.8 mm) size document with resolution in just 8 seconds. It is ideal for digital preservation, photo organising, maps, libraries, schools and anyone that needs to scan A3 sized graphics and documents.

With seven one-touch buttons for performing pre-set functions enable the user to quickly: scan, file, copy, OCR, create PDFs and email.

Main features: Flatbed, A3+ (12x17"), USB2. Very fast (~8 seconds for an A3 colour page). 1 year warranty RTB. Includes DocAction scanning software and Abby FineReader OCR.

Plustek OpticPro A320L
