

Avision AN360W A4 Document Scanners AV5385

The Avision AN360W is a 60 page-per-minute (120 ipm) duplex network document scanner. A true stand-alone network scanner, i.e. it doesn't require any software to be installed on the workstations or on a server. The AN360W scans a wide range of documents, delivery docket, invoices, plastic ID cards, business cards or other heavy card stock. Documents can be sent in a variety of formats including PDF and text searchable PDF. Destinations include: local network folders, e-mail (including via Exchange mail server), cloud servers (such as Google Drive, Dropbox, Evernote), SharePoint Server, FTP server, USB flash drive or the scanner's memory. The Avision AN360W is also Wi-Fi enabled. The large 8" LCD touch screen makes it easy to scan and access frequently used destinations via your own shortcuts.
